

## ASCENDANT'S COVID-19 POLICYHOLDER'S RELIEF PROGRAM

### COVID-19 POLICYHOLDER PREMIUM PAYMENT EXTENSION PROGRAM Extended through May 31, 2020

Our concern for the health and safety of our policyholders and agency partners remain our top priority. We understand that business owners are still facing financial challenges due to the current crisis and we want to do our best to provide them with continued peace of mind and assure them that we will continue our efforts to do everything reasonably possible to safeguard their insurance coverage during these challenging times.

As the current situation continues to affect business owners, Ascendant Commercial Insurance has extended its Premium Payment Extension Relief Plan as follows:

- **Policies receiving an intent to cancel from May 1, 2020 through May 31, 2020 for non-payment of premium of their May payment, will receive a 30-day premium payment extension from their May original installment due date in order to pay the amount due.** If the amount due is not paid by the extension date provided, the policy will cancel by the cancellation date provided in the original Notice of Intent to Cancel. The payment extensions above apply to Workers' Compensation, Commercial Auto, General Liability, Garage and For Hire policies written with Ascendant Commercial Insurance. Late fees for these policies will be waived.
- Ascendant's office continues to operate at full capacity with 100% of our employees working from home.
- Our team remains available to assist you and your clients with any questions regarding payment relief at this time.

As always, please reach out to your assigned Marketing Representative or our Underwriters for additional assistance with any of your inforce policies or with policy placement or insurance solutions of any kinds.
