We do not collect personally identifiable information (“PII”) from any person whom we actually know is a Minor.

CHANGES TO THE WEBSITE AND/OR TERMS OF USE

From time to time and without providing notice to you, we will make changes or improvements to the items, services, and/or features included on the Website. Additionally, from time to time and in our sole discretion, and without providing notice to you, we will change or make additions to these Terms of Use, in which case we will post the revised Terms of Use on the Website and the revised Terms of Use will be effective immediately upon posting. We will alert you about any changes by updating the “Last updated” date of these Terms of Use and you waive any right to receive specific notice of each such change.

You are responsible for reviewing the most current version of the Terms of Use before using the Website to ensure that you agree to any revisions to the Terms of Use. PRIVACY POLICY

When requesting certain information, products or services via the Website, you will be asked to provide certain personal and other information. You agree that all information you provide to Ascendant through the Website or otherwise, is governed by our Privacy Policy, which is hereby incorporated in these Terms of Use. By using the Website, you are accepting the terms and conditions of our Privacy Policy. If you do not agree to your information being used in any of the ways described in the Privacy Policy, you must discontinue use of the Website. By continuing to use the Website and providing information to Ascendant through the Website or otherwise, you accept your information being used as described in the Privacy Policy.

PRODUCTS OR SERVICES OFFERED

The products and services described on the Website are continuously being updated and changed and it is possible that some of the products and/or services displayed on the Website may not be available at a particular time. Additionally, not all products described on the Website may be available in all states, and some products offered in a particular state may vary from the product description included on the Website. Further, you may not be eligible to
purchase a product or service, depending on underwriting criteria. Ascendant is not responsible to you, or to any other party, if a product or service displayed on the Website is not available for purchase at any particular time or if a product or service varies from a description provided on the Website.

The insurance products and services, including the Policies, described on the Website are only intended for persons and entities in the states and jurisdictions of the United States where these insurance products and services may legally be sold. Nothing on the Website shall be considered an advertisement, solicitation or an offer to sell any insurance product or service to any person or entity in any jurisdiction where such offer, purchase or sale would be unlawful.

The Agent Portal allows Producers and Authorized Employees to submit quote requests, obtain quotes and submit Policy applications. If the Producer receives approval on a particular coverage request, the portal will also allow the Producer to receive binding confirmation from Ascendant. Quotes provided through the Agent Portal are price estimates based on the information Producers and Authorized Employees submit and are subject to change. **Additionally, Producers and Authorized Employees do not have binding authority and the submission of a completed Policy application to us does not automatically result in a binding coverage agreement.** Instead, an underwriter will review the application, determine whether or not to approve the risk associated with the application, and will notify the Producer or Authorized Employee if the risk has been approved. If the application is approved, Producers or Authorized Employees can locate the risk on their Account (as defined herein), and can request that Ascendant bind coverage. No insurance coverage can be bound and no changes can be made to a Policy, new or existing, unless and until a written binder has been received from us.

**ACCOUNT SECURITY**

Some portions of the Website, such as the Insured Portal and Agent Portal, are restricted and require users to create an account (“Account”) and obtain a username and password to gain access. If you create an Account on the Website, you must treat your username, password and any other information related to your Account (“Account Information”) as confidential, and you must not disclose it to any other person or entity. You acknowledge that your Account is personal to you and, except as provided herein, you agree not to provide any other person with access to your Account with access to your Account Information or other security information.

You agree that you will not create more than one Account or create an account for anyone other than yourself without first receiving permission from the other person and Ascendant. In exchange for your use of the Website you agree to: (1) provide true, accurate, current, and complete information about yourself as prompted by our Account enrollment form; and (ii) each time you log on, maintain and promptly update such Account information to keep it true, accurate, current, and complete. If you provide any information that is untrue, inaccurate, not current or incomplete, or we have reasonable grounds to suspect that such Account information is untrue, inaccurate, not current or incomplete, Ascendant reserves the right, in Ascendant’s sole discretion, to suspend or terminate your Account and refuse any and all current or future use of the Website.

A Producer may only disclose Account Information and/or grant access to such Producer’s Account on the Agent Portal to individuals employed by such Producer: (i) that are authorized by law, and by each Customer whose PII is contained on such Account, to receive access to all information provided on the relevant Account; (ii) that are authorized by law to submit requests for Policy quotes, submit Policy applications [and issue Policies]; (iii) have agreed, in writing, to refrain from disclosing Account Information or any information obtained through the Account to any unauthorized person and to refrain from providing any unauthorized person with access to the Account; and (iv) whose access is necessary in order for Producer to perform its responsibilities under your Producer’s Agreement with us. The employees of a Producer that satisfy the requirements described in this paragraph are referred to herein as “Authorized Employees.”

You are responsible for all activity performed and transactions entered into on or through your Account, and you agree that Ascendant may treat any activity performed or transaction entered into on or through your Account as authorized by you [unless you notify us in a timely manner of unauthorized activity].
You agree to notify us as soon as practicable of any unauthorized access to your Account, use of your username or password or any other breach of security. In addition, Producers and Authorized Employees agree to notify us as soon as practicable if Producer or any of its employees, including Authorized Employees, suspect that any Policy-related information has been inappropriately altered or is deceptively false, or suspect that an unauthorized person has obtained Producer’s Account Information, accessed Producer’s Account, and/or has used the Website to transact business as Producer or an Authorized Employee.

You also agree to ensure that you exit from your Account at the end of each session. Producers and Authorized Employees should refrain from accessing the Agent Portal from public or shared computers and should only access the Agent Portal from a personal computer located at the Producer’s office using a secure internet connection. When accessing other parts of the Website using public or shared computers, you should use particular caution when logging into and using your Account, and when submitting PII through the Website so that others are not able to view or record your password, Account Information, or other information on your Account or otherwise.

We have the right to disable any Account, username, password or other identifier, whether chosen by you or provided by us, at any time in our sole discretion for any or no reason, including but not limited to, if in our opinion, you have violated any provision of these Terms of Use, if you are a Producer and violate your Producer’s Agreement with us, or if we believe that your Account is being used by an unauthorized party.
